

THE INVENTION OF TOMORROW

CRAFTING OUR NEW COLLECTIVE NARRATIVE

SPECIAL SESSION: PANDEMIC and PUBLIC HEALTH

THE LONGER we PROLONG the PANDEMIC, the MORE MUTATIONS we ALLOW to HAPPEN.

PLANETARY HEALTH ENCOMPASSES ALL OTHER FORMS of HEALTH

I] WE WERE NOT DIGITISED, EVERYTHING was DONE MANUALLY.

II] WE RAN OUT of HUMAN RESOURCE to CARRY OUT CONTACT TRACING

GLOBAL EXPERTS PREDICT THIS ISN'T the LAST PANDEMIC we FACE.

IT is CLEAR that VACCINE KNOWLEDGE NEEDS to be DECENTRALISED! THANKFULLY, we ALREADY SEE that HAPPENING AROUND the WORLD.

THE PANDEMIC HIGHLIGHTED the IMPORTANCE of INTER-INDUSTRY MANAGEMENT & EXPERTISE!

CRAMPED PRISONS & DETENTION CENTRES are NOT UNDER MOH'S PURVIEW BUT WOULD HAVE CLEARLY BENEFITED from THEIR OVERSIGHT!

MALAYSIA has ACHIEVED SOCIAL FOUNDATIONS at the COST of VIOLATING PLANETARY BOUNDARIES

TOWARDS the END of 2020, our INITIAL RESPONDERS BECAME OVERWHELMED with COVID-19

COVID-19 & HIV are VERY DIFFERENT DISEASES, BUT A WAY they are SIMILAR is HOW they DISPROPORTIONATELY AFFECT MARGINALISED COMMUNITIES

WE DID NOT ENGAGE the COMMUNITY & THEIR LEADERS ENOUGH, & OVERLY RELIED on the HEALTH CARE SYSTEM

HEALTHCARE DURING a PANDEMIC

HEALTH INNOVATION NEEDS to be GOVERNED, PUBLICALLY!

EVERYONE HAS the RIGHT to our OWN MEDICAL DATA!

WE NEED to FIND a NEW APPROACH, & it HAS to be a PLANETARY HEALTH APPROACH
