Prime Minister's Statements on Government Transformation (12th Sept 2009)

- “ The Government is set to *begin the transformation process* in strengthening the efficiency of its delivery system”
- “ The *KPI / KRA* were not mere acronyms as they offered clear measures designed to ensure that the government is continuously working to better serve the needs of Malaysians”
- “ Our *real work* will begin as we make the *transformation* of government services happen”

Transformation is an imperative

1. **Vision 2020 is only 10 years away**
→ The gap remains significant
2. **The economy is in recession –**
Unprecedented level of budget deficits
2. **Unemployment and job losses** on the rise
3. **Crime is becoming a serious** issue
4. **Corruption** – Malaysia's international transparency ranking has dropped
→ From 43 (2007) to 47 (2008)*
6. **Competitiveness** – Malaysia's international ranking has dropped
→ From 21 (CGI 2009-2008) to 24 (CGI 2010-2009)**
→ Our next generation is poorly equipped vis-a-vis education, TIMSS ranking has dropped

What is Transformation?

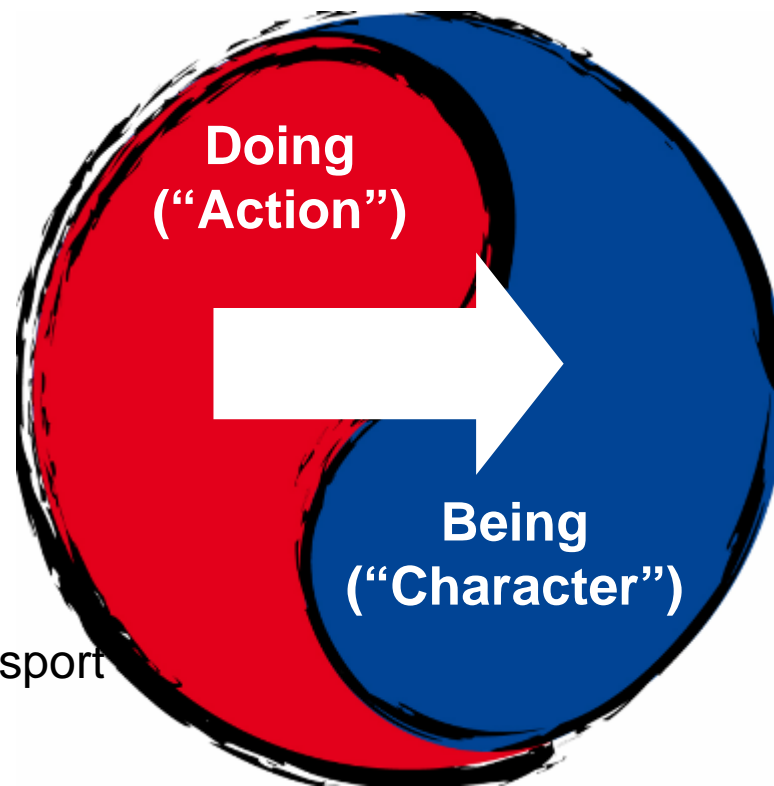

Transformation entails **fundamental** change in:

- The way the organisation **DOES** its activities (Doing)
- The **CHARACTER** of the organisation (Being)

To achieve Big Fast Results

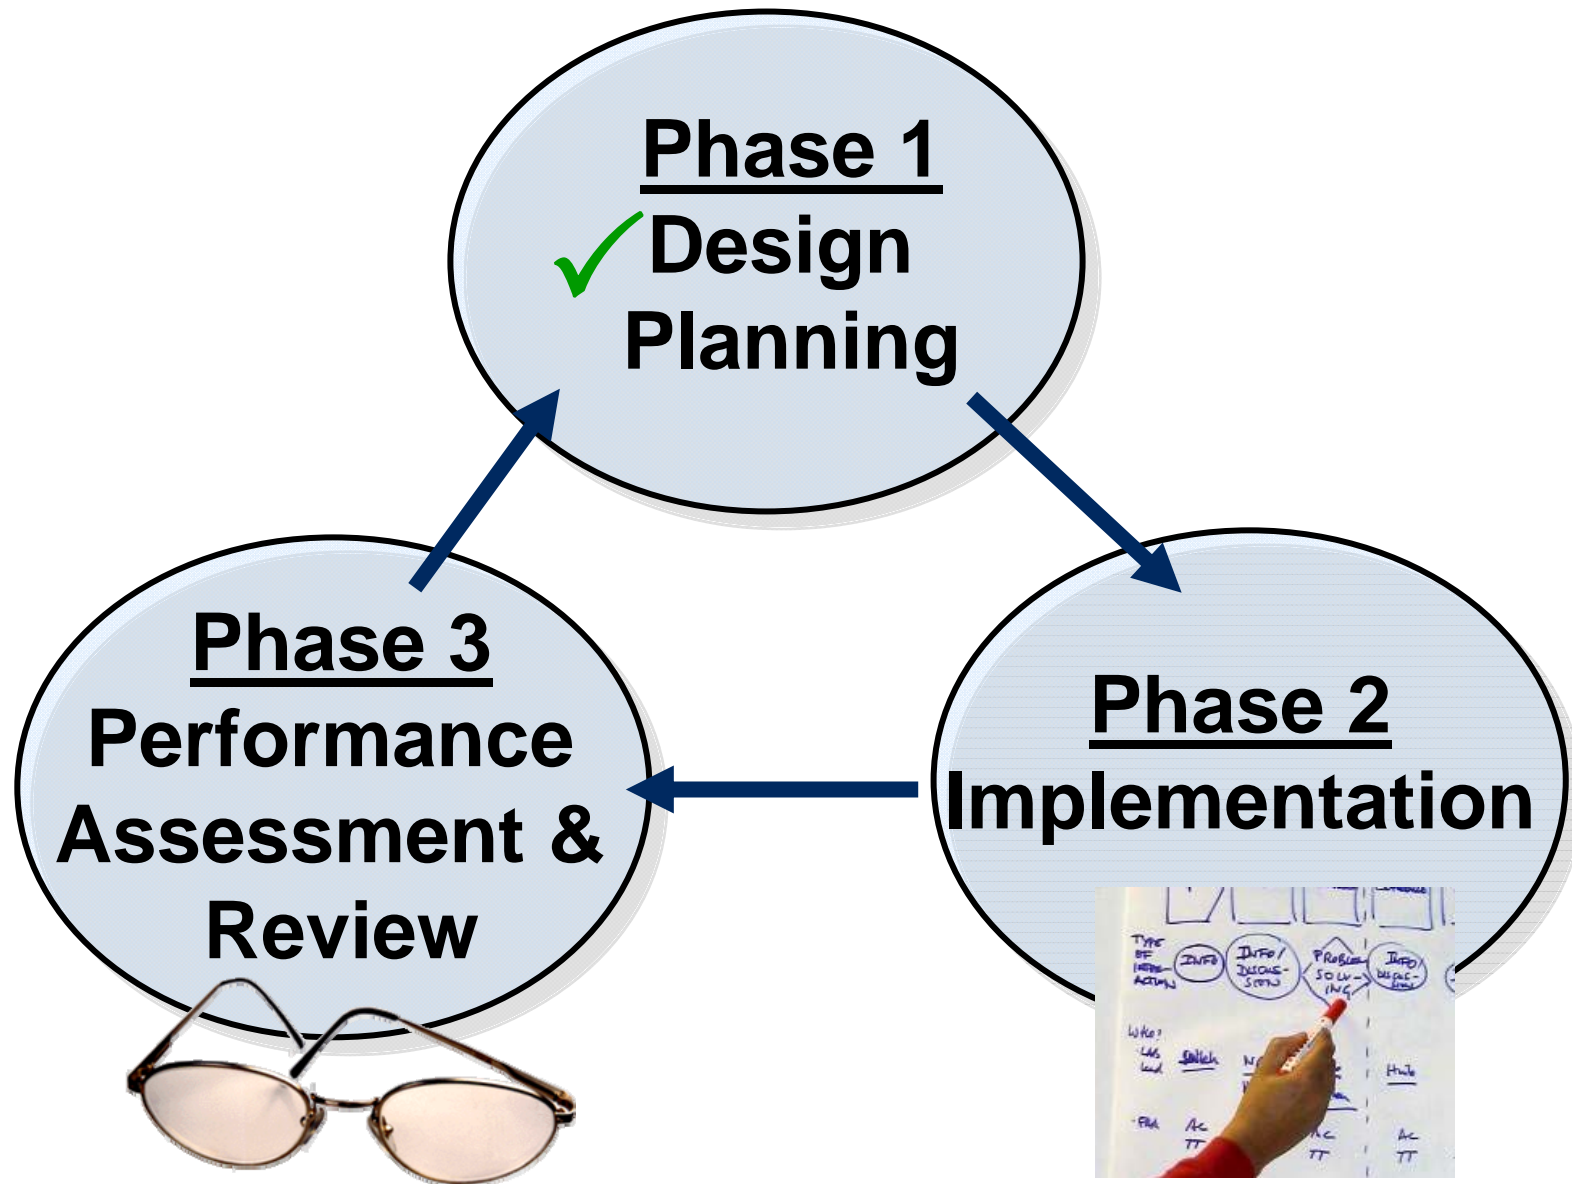

It operates differently

1. Crime
2. Corruption
3. Education
4. Low Income Households
5. Rural Basic Infrastructure
6. Urban Public Transport

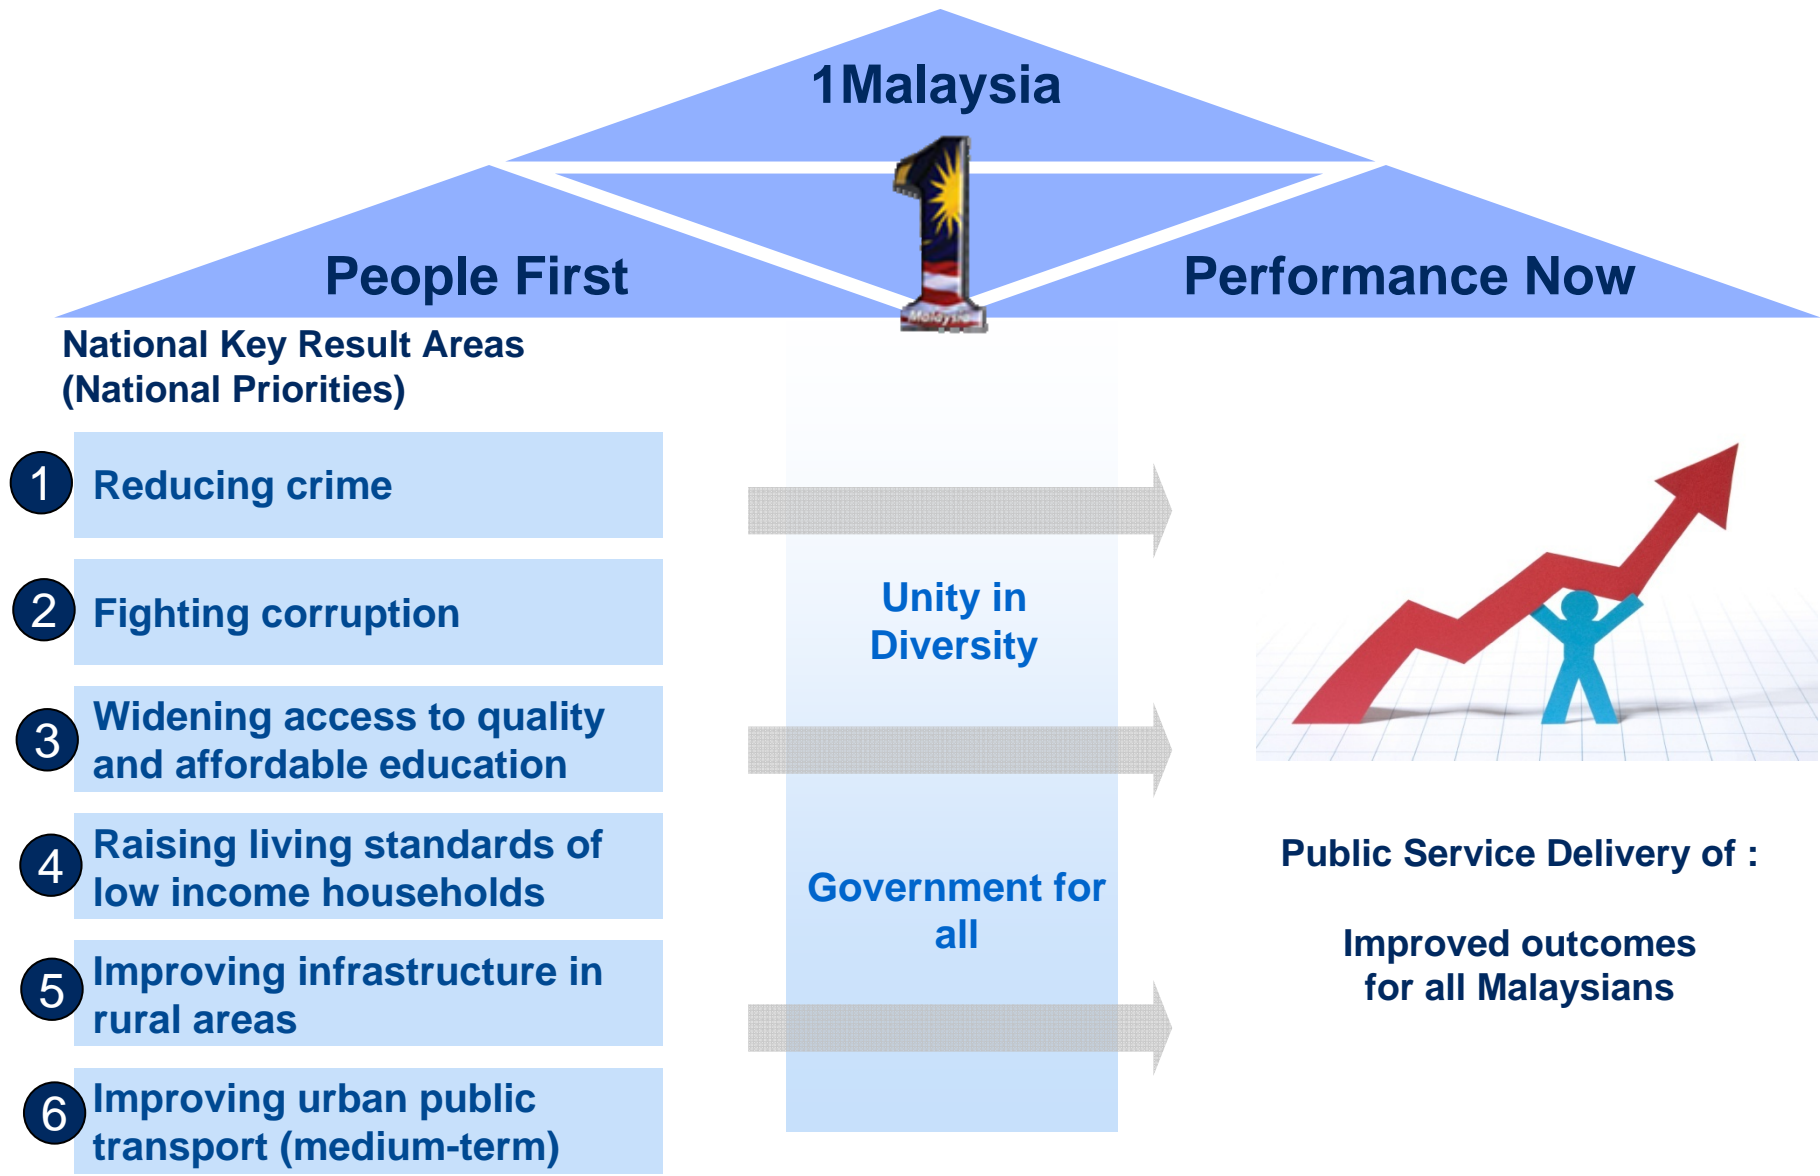

It becomes a totally different organisation

GTP - 3 phases
