## SPECIAL ADDRESS: THE CHANGING PAST & THE CHANGING FUTURE

**THE COVID-19 CRISIS  
HIT MALAYSIA'S  
ECONOMY HARD...**

WHEN we COME OUT on  
the OTHER SIDE, it WON'T  
be UNIFORMLY.

THE LONG TERM  
IMPACT will be  
FELT by **POORER  
COMMUNITIES.**

**CHINA is ALREADY a WORLD SUPERPOWER.**  
THE RICHER CHINA GROWS, the BETTER for the  
REST of the REGION...

THE CONCERN is CHINA'S SUBPAR  
TRADE REGULATIONS &  
ENVIRONMENTAL POLICIES!

THERE has been a  
**PUSHBACK AGAINST  
CASH** due to the **CHANGE  
of CONTAMINATION**

**DEGLOBALIZATION**

THERE HAS BEEN a SHIFT  
AWAY FROM the  
INTERCONNECTED WORLD  
of the LAST 30 YEARS...

LET'S PACK  
UP & GO HOME,  
BOYS!

THERE is a REAL POSSIBILITY  
of the WEST MOVING its  
WORKFORCE OUT of ASIA

**THE ASIAN CENTURY  
is ABOUT to BEGIN!**

ASIA is a MUCH BETTER PLACE to  
DEAL with an INTEGRATED WORLD

THE REASON why COVID  
SPREAD SO FIERCELY  
BECAUSE THERE is NOWHERE  
on EARTH that ISN'T  
24 HOURS AWAY

IT'S IMPORTANT  
THAT we DON'T TALK  
OURSELVES into a  
**CRISIS!**

WE HAVE to REMEMBER  
that THE WORLD is BETTER  
than IT'S EVER BEEN.
